

Duncan aims to be a stress-free speaker who will help contribute to the success of your event with minimal fuss. He has no 'diva requests', entourage of people and his presentation or masterclass is 100% self-contained. His aim is to make your job as stress-free as possible and result in you being congratulated for hiring a fantastic speaker.

But with that said, Duncan does have a few requests which will ensure he delivers to his full potential.
